

KEITH J. GODFREY

Keith is an accomplished business executive with over 30-years experience in company management and leadership development roles in diverse industries. His experience includes engineering, project management, business analysis, corporate finance, and entrepreneurial start-ups. He's built, managed, and grown companies all over the world, from Start-up to \$50 Million in annual sales.

Keith is married to Kathy Freeman Godfrey, they have two children, Coleman 19, Samantha 17. They enjoy living in San Luis Obispo, CA. Living on 27 acres with two houses, kids, in-laws and many projects on the property keeps him busy when not working. Keith is actively involved in our local community.

He attended College at Cal Poly, San Luis Obispo, and graduated with a Bachelor of Science, Mechanical Engineering in 1981.

Among many roles he was to serve on the board of the San Luis Obispo YMCA for 8 years and as President for 2011-2013.

In 2001, Keith Co-founded The Executive Roundtable –a private CEO forum group in San Luis Obispo. Keith is active and committed to this group and its process. The group is very active, and consists of 9 members who meet monthly to share experience and help each other grow in their ability to lead and serve others. Tim Williams is a long-term member of this group.
